The BEFA and 'Electric Flight U.K.' is indebted to Maurice Brett of Baldock for the many hours which he devoted to compiling the original index for the benefit of all our members. We hope you find it useful.

Please note that most back issues of the magazine are no longer available - please see the current issue of Electric Flight U.K. for an up-to-date list. If you specifically require an article from an unavailable back issue, then a re-print of the article may be available, contact the Editor for more information (editor@befa.ef-uk.net)
